A man with curly hair and a beard, wearing a bright yellow high-visibility safety jacket with reflective stripes and blue jeans, is leaning against the side of a white delivery van. He is smiling broadly at the camera. The van has a large side mirror and a door handle visible. The background shows a blurred industrial or warehouse setting.

@ferment_fizz | fermentfizz.com

Ferment Fizz uses whole fruit for taste and zest for full aroma, with no flavourings or additives, just real ingredients slowly preserved and nutritionally enriched through lactic fermentation. The result is a drink that's milder and fruitier than kombucha, richer in flavour than any other fermented option, and naturally unfiltered for fibre. We standardise the prebiotic content with inulin to support gut health. A genuinely gut-friendly drink that finally tastes as good as it makes you feel.

Infinity Foods **Welcome** to the January - February 2026 Catalogue.

Welcome to the latest edition of our catalogue

It replaces your current copy, so be sure to pop that in the recycling.
Inside, you'll find all our latest deals or products. (Speaking of which, turn to the new products and offers for an at-a-glance view of what's new and on offer)

What's changed since last time?

On the left-hand side of each page, you'll see a shaded column where you can check what's changed since the last catalogue. We do everything we can to stick to the prices you see on the page, but sometimes events outside our control might mean they have to change. If this happens, we'll be sure to flag it clearly on your invoice.

Want to talk organic?

We label lots of our products as 'organic'. This means an official body, recognised by the EU, has certified the product. If you'd like more information about how this works, drop Charles Booth our Soil Association co-ordinator a message at: charles.booth@infinity.coop

Need a digital catalogue?

No problem. Download a copy at infinityfoodswholesale.coop or get an Excel4, PDF or CSV version by emailing info@infinity.coop

Revolver Co-operative Coffee

Revolver introduces a new range of coffees sourced exclusively from co-operatives, each one crafted to highlight origin, character and farmer led production. **Peru Ground** and **Whole Bean** coffees come from UNICAFEC, an organic Fairtrade co-operative of smallholder farmers near the Ecuadorian border that supports women's empowerment, and they offer a full bodied, smooth cup with hazelnut and cocoa aromas. The **Swiss Water Process® Decaffeinated Ground Coffee** is an organic Fairtrade option made using the chemical free Swiss water method in Vancouver, delivering intense chocolate notes with a smooth, nutty finish. **Copacabana Blend Coffee Beans** bring together four exceptional Fairtrade Arabicas from Brazil, Colombia, Ethiopia and Sumatra for a bold, chocolate rich profile. **Cuba Ground** and **Whole Bean** coffee is grown in the historic Sierra Maestra region where the French introduced coffee in 1748. With ideal growing conditions, this area produces high quality Altura Arabica with a mellow character, a hint of honey and low acidity. **Honduras Ground Coffee** is an organic Fairtrade coffee grown by the Cocafal co-operative in the Capacus region of Honduras, uniting twelve farming communities to create a medium bodied cup with mild acidity and notes of caramel and apricot. Revolver is a UK based co-operative committed to supporting smallholder farmers, strengthening co-operatives and championing responsible, traceable production.

* <u>Forest Whole Foods</u>		New from Forest Wholefoods, an organic vegan Blanched Almond Flour with a fine, light texture and naturally gluten-free credentials. Made from almonds that have been carefully blanched and finely milled, it offers a mild, aromatic flavour and an excellent nutritional profile, including Vitamin E, magnesium, manganese and Vitamin B2. A keto staple, it is lighter than standard ground almonds, with less fat and a finer consistency that works beautifully in baking and cooking.

New & On Offer from Bio&Me, a gut friendly range for busy mornings. There are six delicious vegan breakfast cereals, two granolas, two high-fibre mueslis, and two overnight oats. Each one is bursting with plant diversity to help you and your microbes thrive. Blueberry Immunity Support Granola is rich in fibre and packed with juicy blueberries, almonds, and mixed seeds. With 12 plant ingredients and natural sources of zinc and copper, it is designed to support immune health. Fruit & Nut Gluten-Free Granola is a plant-powered mix featuring 13 nutrient-dense ingredients and 16g of protein per 100g. It is specially designed to support wellbeing during menopause and proudly carries the menopause-friendly symbol. The two mueslis bring comforting, hearty blends: Fruit & Nut Muesli is a healthy blend of oats, wheat, barley, malt flakes, nuts, fruits, and seeds. Packed with 12+ plant ingredients it is perfect with your favourite milk or yoghurt. Super Nutty Muesli is a crunchy, nourishing combination of almonds, cashews, brazil nuts, flakes, and seeds. The cereals are created using Bio&Me's "Delicious Diversity" concept, because when it comes to plants, more is merrier! The two oat cereals can, as the name suggests, be soaked overnight in your favourite milk for a beautifully creamy texture. Alternatively, if time is not on your side, you can add milk in the morning and they will be ready to eat in three minutes. Cocoa Gluten Free Overnight Oats are smooth and chocolatey, with cocoa, peanuts and nutritious seeds, delivering 12 diverse plant ingredients for a delicious start to the day. Raspberry & Coconut Overnight Oats is bright, fruity, and refreshingly creamy, made with raspberries, coconut, and mixed seeds. With 14 diverse plant-based ingredients, it delights your tastebuds and keeps your gut microbes smiling. The pricing below represents a discount of 15%

<i>New from La Bio Idea, organic vegan Wholewheat Fregola, an authentic Sardinian toasted pasta made from whole durum wheat. The gently toasted pearls have a nutty aroma and a firm, satisfying bite that holds up well in broths and richer sauces. A staple of Mediterranean cooking, this versatile fregola absorbs flavours beautifully and works equally well in soups, salads, seafood dishes and warm grain bowls.</i>

* <u>St Dalfour Spreads</u>																
<i>New and on offer from St Dalfour, a range of vegan fruit spreads in glass jars. St Dalfour is handcrafted in the vineyards of Aquitaine, where carefully selected fruits and juices are gently cooked in traditional kettles. Using grape must, the naturally sweet by-product of winemaking, St Dalfour creates a healthier spread that allows the true flavour of the fruit to shine through. The brand supports farmers with fair working hours and pay, and is dedicated to sustainability and biodiversity. One example of their working practices is that soil health is enhanced through the filtering and reuse of residual water. The pricing below represents a discount of 15%.</i>

Queen Carlin Peas are gently cooked for a soft texture and have a subtle nuttiness which makes them a great alternative to chickpeas. Try them in a hearty French onion bake, or crisp them up in a salad with sticky aubergines and garlicky yogurt for an irresistible combination of textures and tastes. * <u>Revolver Co-operative Coffee</u>															
Revolver introduces a new range of coffees sourced exclusively from co-operatives, each one crafted to highlight origin, character and farmer-led production. Peru Ground and Whole Bean coffees come from UNICAPEC, an organic Fairtrade co-operative of smallholder farmers near the Ecuadorian border that supports women's empowerment, and they offer a full bodied, smooth cup with hazelnut and cocoa aromas. The Swiss Water Process® Decaffeinated Ground Coffee is an organic Fairtrade option made using the chemical free Swiss water method in Vancouver, delivering intense chocolate notes with a smooth, nutty finish. Copacabana Blend Coffee Beans bring together four exceptional Fairtrade Arabicas from Brazil, Colombia, Ethiopia and Sumatra for a bold, chocolate rich profile. Cuba Ground and Whole Bean coffee is grown in the historic Sierra Maestra region where the French introduced coffee in 1748. With ideal growing conditions, this area produces high quality Altura Arabica with a mellow character, a hint of honey and low acidity. Honduras Ground Coffee is an organic Fairtrade coffee grown by the Cocafal co-operative in the Capacus region of Honduras, uniting twelve farming communities to create a medium bodied cup with mild acidity and notes of caramel and apricot. Revolver is a UK based co-operative committed to supporting smallholder farmers, strengthening co-operatives and championing responsible, traceable production.

Application and entire agreement

1. These Terms and Conditions will apply to the purchase of the goods detailed in our quotation (Goods) by the buyer (you) from Infinity Foods Wholesale Ltd a company registered in England and Wales under number IP22397R whose registered office is at 46 Dolphin Road, Shoreham-by-sea, West Sussex, BN43 6PB (we or us).
2. These Terms and Conditions will be deemed to have been accepted by you when you accept them or the quotation or from the date of any delivery of the Goods (whichever happens earlier) and will constitute the entire agreement between us and you.
3. These Terms and Conditions and the quotation (together, the Contract) apply to the purchase and sale of any Goods between us and you, to the exclusion of any other terms that you try to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

Interpretation

4. A "business day" means any day other than a Saturday, Sunday or bank holiday.
5. The headings in these Terms and Conditions are for convenience only and will not affect their interpretation.
6. Words imparting the singular number include the plural and vice-versa.
- Goods
7. The description of the Goods is set out in our sales documentation, unless expressly changed in our quotation. In accepting the quotation you acknowledge that you have not relied upon any statement, promise or other representations about the Goods by us. Descriptions of the Goods set out in our sales documentation are intended as a guide only.
8. We can make any changes to the specification of the Goods which are required to conform to any applicable safety or other statutory or regulatory requirements.

Price

9. The price (Price) of the Goods is set out in our quotation current at the date of your order or such other price as we may agree in writing.
10. If the cost of the Goods to us increases due to any factor beyond our control including, but not limited to, material costs, labour costs, alteration of exchange rates or duties, or changes to delivery rates, we can increase the Price prior to delivery.
11. Any increase in the Price under the clause above will only take place after we have told you about it.
12. You may be entitled to discounts. Any and all discounts will be at our discretion.
13. The Price is inclusive of fees for packaging and transportation / delivery unless otherwise specified
14. The Price is exclusive of any applicable VAT and other taxes or levies which are imposed or charged by any competent authority.

Cancellation and alteration

15. Details of the Goods as described in the clause above (Goods) and set out in our sales documentation are subject to alteration without notice and are not a contractual offer to sell the Goods which is capable of acceptance.
16. The quotation (including any non-standard price negotiated in accordance with the clause on Price (above)) is only valid at the time it is given unless different terms have been agreed with us.
17. Either of us can cancel the order for any reason prior to your acceptance (or rejection) of the quotation.

Payment

18. We will invoice you for the Price either:
 - a. on or at any time after delivery of the Goods; or

19. You must pay the Price upon agreement of order. This may be prior to receipt of goods. If credit terms have been agreed between us then payment must be made within these agreed terms.
20. You must make a payment even if a delivery has not taken place i.e when an attempt to deliver has been made.
21. If you do not pay within the period set out above, we reserve our right to suspend any further deliveries to you, and without limiting any of our other rights or remedies for statutory interest, charge you interest at the rate of 5% per annum above the base rate of the Bank of England from time to time on the amount outstanding until you pay in full.
22. Time for payment will be of the essence of the Contract between us and you.
23. All payments must be made in British Pounds unless otherwise agreed in writing between us.
24. Both parties must pay all amounts due under these Terms and Conditions in full without any deduction or withholding except as required by law and neither party is entitled to assert any credit, set-off or counterclaim against the other in order to justify withholding payment of any such amount in whole or in part.

30. Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. We will not be liable for any delay in delivery of the Goods that is caused by a circumstance beyond our control or your failure to provide us with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
31. We can deliver the Goods by installments, which will be invoiced and paid for separately. Each installment is a separate contract. Any delay in delivery or defect in an installment will not entitle you to cancel any other installment.

32. You must inspect the Goods on delivery or collection.
33. If you identify any damages or shortages, you must inform us in writing within 7 days of delivery, providing details.
34. Other than by agreement, we will only accept returned Goods if we are satisfied that those Goods are defective and if required, have carried out an inspection.

38. Acceptance of the Goods will be deemed to be upon inspection of them by you and in any event immediately after delivery.

Risk and title

39. The risk in the Goods will pass to you on completion of delivery.
40. Title to the Goods will not pass to you until we have received payment in full (in cash or cleared funds) for: (a) the Goods and/or (b) any other goods or services that we have supplied to you in respect of which payment has become due.
41. Until title to the Goods has passed to you, you must (a) hold the Goods on a fiduciary basis as our bailee; and/or (b) store the goods separately and not remove, deface or obscure any identifying mark or packaging on or relating to the Goods; and/or (c) keep the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery.
42. As long as the Goods have not been resold, or irreversibly incorporated into another product, and without limiting any other right or remedy we may have, we can at any time ask you to deliver up the Goods and, if you fail to do so promptly, enter any of your premises or of any third party where the Goods are stored in order to recover them.

46. If we do not deliver the Goods, our liability is limited, subject to the clause below, to the costs and expenses incurred by you in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods.
