Seggiano

Returning from Seggiano, a selection of Christmas goodies. Baked Fig Balls are made only with figs from Cosenza in Calabria. Sticking to a traditional recipe, the figs are dried and slowly cooked in their own juices, moulded into balls, wrapped in fig leaves and baked again. They are generally eaten with pecorino cheese and indeed the Seggiano catalogue boldly states that "they are an essential addition to a serious cheeseboard". Biscotti are hand made in Tuscany with organic eggs and butter. They are twice baked, crunchy and oblong shaped. The fine texture and flavour of Sea Salt & Chocolate Biscotti go perfectly with a coffee while Chocolate Orange Cantuccini with candied orange peel and pieces of dark chocolate are fabulous dipped in a sweet Vin Santo. The three sumptuous dark chocolate-dipped fruits are back for the festive season. Chocolate Rum Figs are Calabrian figs soaked in rum and stuffed with an almond. Chocolate Cherry Figs are made from Dottato figs filled with Amarena cherries, and Chocolate Clementines are halves of Calabrian candied clementines. All the sweets sit in corrugated paper baking cases in very smart card boxes. New this year are vegan Chocolate Grissini , sophisticated chocolate fingers for grown ups who still love party food. Perfect for parties or as a shared treat, these traditional Italian breadsticks are handmade with simple and wholesome ingredients and then covered with thick, dark 58% chocolate.
