CEREAL GRAINS

Clearspring
New and on offer from Clearspring, three types of organic vegan gluten-free rice from Thailand. Thai Hom Mali Aromatic Jasmine Rice takes its name from the fragrant jasmine flower, its delicate aroma making this long grain rice ideal alongside curries, stir-fried vegetables or in a warming Khao Tom broth. Thai Hom Mali Brown Jasmine Rice offers the same fragrance in wholegrain form, its firmer texture and heartier bite suited to curries and vegetable stir-fries alike. Rounding out the trio is Thai Sticky Rice - semi-wholegrain , a staple of northern Thailand prized for its chewy texture and used across both sweet and savoury dishes. Retaining some of its bran for extra flavour, it pairs beautifully with salads, grilled vegetables and Thai curries, or with coconut milk for an exotic mango sticky rice pudding. The pricing marked below represents a discount of 20%.

Steenbergs - loose tea

New from Steenbergs, a range of mainly organic, gluten-free, vegan large-leaf loose teas covering everything from bedtime blends to bright, citrusy infusions. For winding down, Chamomile brews a deep yellow cup with a delicate floral, sweet apple flavour, prized for calming the nerves and aiding sleep and digestion; Dreamtime combines herbs into a robust, earthy blend designed to help you unwind and encourage sleep and Happy Hippy , Steenbergs' own house tisane, offers a crisp, cooling herbal and floral cup to soothe frayed nerves and lift the spirit. On the digestive and medicinal side, Dandelion brings a faintly bitter, woody flavour and a long-held reputation as a purifier of the blood and urinary systems, Nettle is mineral-rich and has a bitter, herby flavour with hints of saltiness, and well-known beneficial properties, Peppermint is crisp and refreshing with digestive benefits, Liquorice offers loose dried root pieces with a sweet, earthy, aniseed flavour, and Raspberry Leaf brews robust, grassy and subtly tannic. For something brighter, Double Mint blends organic peppermint and spearmint for a refreshing cup, Lemon Verbena is the classic French infusion - part of their savoir vivre - with a light, fresh lemon flavour and no tartness, Lemongrass gives a mild, increasingly popular citrus tisane, and Hibiscus makes a striking deep red tea, tart and lemony thanks to its high concentration of fruit acids. Foodin

Also new and on offer from Foodin is the range of organic and vegan impulse snacks below. Licorice Date Bar is a simple treat made from little more than soft dates, dark licorice powder and a hint of sea salt, its black colour and rich flavour coming from natural vegetable charcoal, with no oils, grains or preservatives. Alongside it comes an extended raw chocolate range, handcrafted in Vaajakoski using a traditional stone-ground method in which the chocolate is milled for two to three days at low temperatures to preserve the character of its Criollo cocoa beans, grown by family farmers in the Amazon, and sweetened naturally with coconut sugar. This chocolate coats banana , cashew , ginger , raspberry and strawberry pieces for a soft, vegan treat, while a no- added-sugar version, sweetened instead with the natural, calorie-free erythritol, coats almonds , macadamias , raspberries and strawberries for those watching their sugar intake. All carry Finland's Key Flag label as a mark of local craftsmanship. The pricing below represents a discount of 20%.

Seggiano

Returning from Seggiano, a selection of Christmas goodies. Baked Fig Balls are made only with figs from Cosenza in Calabria. Sticking to a traditional recipe, the figs are dried and slowly cooked in their own juices, moulded into balls, wrapped in fig leaves and baked again. They are generally eaten with pecorino cheese and indeed the Seggiano catalogue boldly states that "they are an essential addition to a serious cheeseboard". Biscotti are hand made in Tuscany with organic eggs and butter. They are twice baked, crunchy and oblong shaped. The fine texture and flavour of Sea Salt & Chocolate Biscotti go perfectly with a coffee while Chocolate Orange Cantuccini with candied orange peel and pieces of dark chocolate are fabulous dipped in a sweet Vin Santo. The three sumptuous dark chocolate-dipped fruits are back for the festive season. Chocolate Rum Figs are Calabrian figs soaked in rum and stuffed with an almond. Chocolate Cherry Figs are made from Dottato figs filled with Amarena cherries, and Chocolate Clementines are halves of Calabrian candied clementines. All the sweets sit in corrugated paper baking cases in very smart card boxes. New this year are vegan Chocolate Grissini , sophisticated chocolate fingers for grown ups who still love party food. Perfect for parties or as a shared treat, these traditional Italian breadsticks are handmade with simple and wholesome ingredients and then covered with thick, dark 58% chocolate.
