The Magnesium Experts

SEE PAGE 124

7/10 women and 4/10 men in the UK do not get enough Magnesium through their diet

Supplementing Magnesium is essential as it supports over 300 processes in the body. However the modern diet is less nutrient dense due to industrialised farming and food processing methods. The rise in gut health problems has affected how efficiently our bodies can absorb and utilise nutrients both from our diets and from traditional supplements like tablets and capsules.

The Magnesium category is growing

As the benefits of Magnesium are becoming more widely known, consumers are searching for products to support their everyday health. BetterYou Magnesium offers a faster, more effective way to elevate magnesium levels.

Transdermal application for higher bioavailbility

BetterYou Magnesium is formulated with pure source magnesium chloride, for the highest bioavailability. When the spray or lotion is massaged onto the body or the flakes are added to a warm bath, the Magnesium absorbs through the skin directly into the bloodstream restoring cellular Magnesium levels.

Magnesium restores every cell in the body to:

- ☑ Fight fatigue
- ☑ Support bone health
- ☑ Calm the mind

Making great tasting marzipan. Since 1904.

Lubeca manufactures high quality marzipan for artisans and industry. The manufacture of our products is based on traditional and increasingly rare craftsmanship but in a very modern environment. Lubeca has the knowledge and over 100 years of experience of producing the best tasting marzipan.

The secret of our great marzipan quality is based on three things:

- The high quality almonds from smaller plantations in the Mediterranean region
- The fine grinding between two pairs of counter-rotating granite rollers - the same method used since 1904. This gives the defined structure and fineness and a smooth mouthfeel.
- We roast our marzipan traditionally in open copper roasting kettles in a complex process. It gives our products their unmistakable taste and sets them apart from other marzipans.

Lübecker Marzipan® is a Protected Geographical Indication (PGI) by the EU. The quality requirements for Lübeck Marzipan are set higher than for other commercially available marzipan. Our standards are high because our customers all over the world expect a consistently excellent quality that we have delivered **...for over 100 years.**

Welcome

to the July - August 2025 Catalogue.

Welcome to the latest edition of our catalogue

It replaces your current copy, so be sure to pop that in the recycling.
Inside, you'll find all our latest deals or products. (Speaking of which, turn to the new products and offers for an at-a-glance view of what's new.and on offer)

What's changed since last time?

On the left-hand side of each page, you'll see a shaded column where you can check what's changed since the last catalogue. We do everything we can to stick to the prices you see on the page, but sometimes events outside our control might mean they have to change. If this happens, we'll be sure to flag it clearly on your invoice.

Want to talk organic?

We label lots of our products as 'organic'. This means an official body, recognised by the EU, has certified the product. If you'd like more information about how this works, drop Charles Booth our
Soil Association co-ordinator a message at: charles.booth@infinity.coop

Need a digital catalogue?

No problem. Download a copy at infinityfoodswholesale.coop or get an Excel4, PDF or CSV version by emailing info@infinity.coop

Due to the withdrawal of the previous certifying body from Palestine due to security concerns, without a proper handover to a new certifier, there has been an interruption of supply of the organic FairTrade Palestinian extra virgin olive oil. We are hoping that supply will resume by the autumn, but in the meantime we are listing the same range as non-organic and uncertified. It is still a wonderful oil ethically sourced from small-scale farmers in the West Bank. Produced from rain-fed and hand-picked olives, the extra virgin olive oil connects you with farmers whose ancestors have tended their trees by hand for countless generations. It is available in 250ml 500ml, 750ml and 5l.

	New and on offer from La Bio Idea, three semi wholewheat organic vegan pastas. This slow dried premium pasta is made with semi-wholewheat for more flavour, texture and character. It is bronze die extruded, so sauce clings perfectly to every bite. ***Busiate*** *is a long hollow sprial made by twisting long strands of pasta around a skewer to create a pasta shape with a telephone cord apperance. It is traditionally served with pesto Trapanese.* ***Lumaconi*** *are large ridged tubes shaped like snail shells that fill with sauce to make a mouthful.* ***Paccheri*** *is short large tubed pasta perfect for catching sauce. The name comes from paccaria, the Neapolitan slang for 'to slap', which describes the sound when it is cooked and tossed in sauce. The pricing below represents a discount of 20%.*

	Due to the withdrawal of the previous certifying body from Palestine due to security concerns, without a proper handover to a new certifier, there has been an interruption of supply of the organic FairTrade Palestinian extra virgin olive oil. We are hoping that supply will resume by the autumn, but in the meantime we are listing the same range as non-organic and uncertified. It is still a wonderful oil ethically sourced from small-scale farmers in the West Bank. Produced from rain-fed and hand-picked olives, the extra virgin olive oil connects you with farmers whose ancestors have tended their trees by hand for countless generations. It is available in 250ml 500ml, 750ml and 5l.

	*New from Truffle Hunter two vegan condiments. **Truffle Dust** is a fine powder that adds the flavour of black truffle to any dish. It is based on carob powder, yeast extract, black truffles and flavouring and is packed in a glass herb jar. The flavour is intense, so use sparingly or risk separating from your Daemon. (Whether we should be comparing Truffle Dust with human consciousness is up for discussion, Ed). **Black Truffle Salt** is made from Cornish sea salt which is blended with European Black Truffle. Use in sauces, salt rubs marinades or on chips. Packaged in a glass jar with a card sleeve.*
