Mountain Shilajit Resin

**Known in Ayurveda as The Great Destroyer
or The Destroyer of All Weakness**

Traditionally used in India and Tibet for centuries, this mineral pitch is a dark sticky paste with an earthy taste. Extracted from crevices between the rocks of the Altai mountains, Shilajit is essentially pure decomposed high-altitude plants, and as such is exceptionally high in a wide range of minerals, vitamins and micro-nutrients. It is extremely complex, containing many naturally occurring compounds, and is particularly recognised for its high Fulvic Acid and Humic Acid content. Our high grade Shilajit is fairly traded with local villagers who have been working with Shilajit for countless generations. It is naturally purified and laboratory tested. Packed in the UK in Miron glass jars.

The one and only!

I've used Shade sunscreen for the last 5 years or so and I won't use any other. I've used it in Florida Spain and now Greece and it's properly protected me (quite fair skin and burn easily) and my 2 kids no trouble; and I'm also not poisoning the ocean...

DELIGHTFULLY GLUTEN FREE

Infinity Foods Welcome to the May - June 2025 Catalogue.

Welcome to the latest edition of our catalogue

It replaces your current copy, so be sure to pop that in the recycling.

Inside, you'll find all our latest deals or products. (Speaking of which, turn to the new products and offers for an at-a-glance view of what's new and on offer)

What's changed since last time?

On the left-hand side of each page, you'll see a shaded column where you can check what's changed since the last catalogue. We do everything we can to stick to the prices you see on the page, but sometimes events outside our control might mean they have to change. If this happens, we'll be sure to flag it clearly on your invoice.

Want to talk organic?

We label lots of our products as 'organic'. This means an official body, recognised by the EU, has certified the product. If you'd like more information about how this works, drop Charles Booth our

Soil Association co-ordinator a message at: charles.booth@infinity.coop

Need a digital catalogue?

No problem. Download a copy at infinityfoodswholesale.coop or get an Excel, PDF or CSV version by emailing info@infinity.coop

Got a question?

Email us at info@infinity.coop or call 01273 456376 between 8:30am and 5pm. Your feedback is always welcome, too.

New from Epikouros, a range of organic Greek olives in glass jars. They are all freshly jarred in a modified vacuum so there is no need for the olives to be pasteurised or immersed in brine. The ingredients are olives, sea salt, wine vinegar, extra virgin olive oil and herbs. Green Olives, Kalamata Olives and Mixed Olives are listed and they are available as whole or pitted.

■ Drinks - Herbal, Tonic, Coconut and Iced Tea														
<i>You may notice especially in the Drinks chapters in this catalogue that there have been a number of price rises attributed to the "Glass Tax". This new tax is more accurately a new packaging tax under the Extended Producer Responsibility (EPR) scheme and aims to shift the cost of packaging waste collection and sorting from local authorities to the businesses responsible for the packaging. Businesses will be charged a fee per tonne of packaging which means that heavier materials like glass will incur higher costs.</i>

2. These Terms and Conditions will be deemed to have been accepted by you when you accept them or the quotation or from the date of any delivery of the Goods (whichever happens earlier) and will constitute the entire agreement between us and you.
3. These Terms and Conditions and the quotation (together, the Contract) apply to the purchase and sale of any Goods between us and you, to the exclusion of any other terms that you try to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

Interpretation

4. A "business day" means any day other than a Saturday, Sunday or bank holiday.
5. The headings in these Terms and Conditions are for convenience only and will not affect their interpretation.
6. Words imparting the singular number include the plural and vice-versa.
- Goods

8. We can make any changes to the specification of the Goods which are required to conform to any applicable safety or other statutory or regulatory requirements.

Price

9. The price (Price) of the Goods is set out in our quotation current at the date of your order or such other price as we may agree in writing.
10. If the cost of the Goods to us increases due to any factor beyond our control including, but not limited to, material costs, labour costs, alteration of exchange rates or duties, or changes to delivery rates, we can increase the Price prior to delivery.
11. Any increase in the Price under the clause above will only take place after we have told you about it.
12. You may be entitled to discounts. Any and all discounts will be at our discretion.
13. The Price is inclusive of fees for packaging and transportation / delivery unless otherwise specified
14. The Price is exclusive of any applicable VAT and other taxes or levies which are imposed or charged by any competent authority.

Cancellation and alteration

15. Details of the Goods as described in the clause above (Goods) and set out in our sales documentation are subject to alteration without notice and are not a contractual offer to sell the Goods which is capable of acceptance.
16. The quotation (including any non-standard price negotiated in accordance with the clause on Price (above)) is only valid at the time it is given unless different terms have been agreed with us.
17. Either of us can cancel the order for any reason prior to your acceptance (or rejection) of the quotation.

19. You must pay the Price upon agreement of order. This may be prior to receipt of goods. If credit terms have been agreed between us then payment must be made within these agreed terms.

22. Time for payment will be of the essence of the Contract between us and you.
23. All payments must be made in British Pounds unless otherwise agreed in writing between us.
24. Both parties must pay all amounts due under these Terms and Conditions in full without any deduction or withholding except as required by law and neither party is entitled to assert any credit, set-off or counterclaim against the other in order to justify withholding payment of any such amount in whole or in part.

Risk and title

39. The risk in the Goods will pass to you on completion of delivery.

41. Until title to the Goods has passed to you, you must (a) hold the Goods on a fiduciary basis as our bailee; and/or (b) store the goods separately and not remove, deface or obscure any identifying mark or packaging on or relating to the Goods; and/or (c) keep the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery.
42. As long as the Goods have not been resold, or irreversibly incorporated into another product, and without limiting any other right or remedy we may have, we can at any time ask you to deliver up the Goods and, if you fail to do so promptly, enter any of your premises or of any third party where the Goods are stored in order to recover them.

46. If we do not deliver the Goods, our liability is limited, subject to the clause below, to the costs and expenses incurred by you in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods.
